-Christa-

"We have just returned home after a memorable trip, including a week in the baltic. We have very much enjoyed the tour with Baltic Tours and will recommend it to others. Valdis was an informative and competent guide and the trip was very well organised, despite many challenges with the weather. I also very much appreciated your clear and prompt communication in response to all my questions. Thank you very much! We hope to make use of your services again in the near future."
