  “We planned this trip for 2 years. First we booked in 2015 but due to health issues we had to cancel. Rasa returned the deposit and encouraged us to travel in 2016. Finally, we got on the tour which was amazing. Scandinavian part was organised perfectly, Russian part was not that well. Traffic in Moscow was hectic. St. Petersburg sightseeing was the top what we have experienced. Rasa gave us tips before the tour and we were well prepared for currency, clothing, tipping, emergency, etc. Although this tour was pretty expensive we enjoyed so much!”

"We were sceptical about the quality of the tour because it was the cheapest one. Iveta assured us that it’s a good value for money and she was absolutely right! Ukraine is one of the most interesting places I’ve been to! The mix of classical slavic architecture and soviet blocks around them creates something to remember.”

“This is a good tour to go if you’re looking to explore the area around Helsinki and Saint Petersburg. It is really easy to fall in love with architecture in st. Petersburg. It’s simply amazing! However, you shouldn’t overlook the other two - Helsinki’s got great museums and medieval vibe in Tallinn is worth experiencing. Would go again 4.5/5.”

2016 July 
-Michael-
“We’ve chosen this tour because of a lengthy stay in the Curonian Spit. I think tour’s well balanced - you get some intensive sightseeing and time to relax at the same tour. Nida is definitely something to remember - high-rising dunes and old German houses made us fall in love with the city. The hotel could’ve been better but it seems that its the best one in this small town. The bigger cities were great too but were no match for Nida.”

’First of all, I would like to say a lot of good words for Rasa. It was such a pleasure. Such a lovely tour and nostalgic memories! It was a wonderful holiday with everything planned. I will never forget lovely Folklore dinner at Restaurant Belmontas in Lithuania. It was worth it! What about tour and cities – Riga just stole my heart! Gauja National Park like a fairy tail, so if you are planning to come here, I guarantee you will lose your mind. Someday I will come back to the Baltic States and of course with Baltic Tours!’
