"We have just returned home after a memorable trip, including a week in the baltic. We have very much enjoyed the tour with Baltic Tours and will recommend it to others. Valdis was an informative and competent guide and the trip was very well organised, despite many challenges with the weather. I also very much appreciated your clear and prompt communication in response to all my questions. Thank you very much! We hope to make use of your services again in the near future."

"We planned this trip for 2 years. First we booked in 2015 but due to health issues we had to cancel. Rasa returned the deposit and encouraged us to travel in 2016. Finally, we got on the tour which was amazing. Scandinavian part was organised perfectly, Russian part was not that well. Traffic in Moscow was hectic. St. Petersburg sightseeing was the top what we have experienced. Rasa gave us tips before the tour and we were well prepared for currency, clothing, tipping, emergency, ect. Although this tour was pretty expensive we enjoyed so much!"

"We were sceptical about the quality of the tour because it was the cheapest one. Iveta assured us that it's a good value for money and she was absolutely right! Ukraine is one of the most interesting places I've been to! The mix of classical slavic architecture and soviet blocks around them creates something to remember."

"This is a good tour to go if you're looking to explore the area around Helsinki and Saint Petersburg. It is really easy to fall in love with architecture in St. Petersburg. It's simply amazing! However, you shouldn't overlook the other two - Helsinki's got great museums and medieval vibe in Tallinn is worth experiencing. Would go again 4.5/5."

"First of all, I would like to say a lot of good words for Rasa. It was such a pleasure.

Such a lovely tour and nostalgic memories! It was a wonderful holiday with everything planned. I will never forget lovely Folklore dinner at Restaurant Belmontas in Lithuania. It was worth it! What about tour and cities – Riga just stole my heart! Gauja National Park like a fairy tale, so if you are planning to come here, I guarantee you will lose your mind. Someday I will come back to the Baltic States and of course with Baltic Tours!"
