## 1 DAY: ARRIVAL IN REYKJAVIK, THE CAPITAL OF ICELAND.

Transfer from airport to hotel.

6 km

## 2 DAY: THE ROUTE OF THE „GOLDEN CIRCLE“ – WATERFALLS, GEYSERS, AND VALLEYS.

After breakfast departure at 9 a.m. Today we'll follow Iceland's iconic **route of the „Golden Circle“**. We will spend our day of this round tour exploring the famous Golden Circle. The Golden Circle includes the UNESCO Heritage site **Thingvellir National park**, **Geysir** hot spring as well as the mighty **Gullfoss** waterfall. We start from the spectacular cascades of Gullfoss waterfall. Be spellbound by the immense beauty and sheer power of the Gullfoss waterfall, flowing into a deep and narrow canyon, also know as Golden Falls. From there, journey toward the geo-thermal area around the incredible spouting hot springs of Geysir and Strokkur .

4 h

Iceland

Iceland

**Strokkur** geyser shoot water 30 metres into the air every 8-10 min.and can be seen from far away. Continuing on to Thingvellir National Park, where the Icelandic parliament Altingi was founded in the year 930 AD. Thingvellir valley is geologically remarkable and the tectonic plate boundaries form a breathtaking scenery. After visiting these three top attractions we will make our way towards the South Coast of the island en route to our accommodation for the night.

 8 h

### 3 DAY: VOLCANO AND COLORFUL HIGHLAND TOUR

After breakfast at 9 a.m. today, we continue our journey along the south coast in the direction of **Hekla**, nicknamed 'the Gateway to Hell' in the Middle Ages, one of Iceland's most explosive, unpredictable and powerful volcanoes. It has erupted twenty to thirty times since settlement, and remains active to this day. A dominant peak, standing at 1,491 metres tall (4,892 feet) resembles an overturned boat, it can be seen for miles around. Mount Hekla is located in the highly active volcanic zone along the south shore.

Iceland

Iceland

Before continuing to **Landmannalaugar** multicolored mountains range we explore Hekla surroundings. Landmannalaugar is best described as range of multicolored mountains with endless lava fields, geothermal activity and hot steamy earth. It's pretty impressive to be close to an active volcano viewing endless lava and majestic colourful mountains with smoking earth around you as well. The colours and all the beauty is so overwhelming that it's hard to describe so as you can imagine this is something very spectacular. The area is one of the best places for trekking in the world.

#### 4 DAY: THE SOUTHERNEST POINT OF ICELAND

5 km

3 h

After Breakfast 9 a.m. we'll start the day with a trip to the beautiful **Skógafoss** waterfall, one of the biggest waterfalls in Iceland. On the way we'll visit **Seljalandsfoss** waterfall where we can get the chance to walk behind the 60 m fall. There will definitely be drizzle behind the breathtaking waterfall, so put on your rain gear and get your cameras ready! Next visiting **Skogar** museum. It is divided into three parts: the folk museum which offers a huge variety of tools and implements used for fishing and farming, as well as artefacts dating back to the viking age. In the rebuilt turf houses in the open-air museum we can catch the atmosphere of times long gone and experience how Icelanders lived through the centuries.

Iceland

Continuing to **Skógafoss**, a giant of a waterfall, 23 m, wide and also dropping down 60 m you can get up close and feel its power, and also climb of stairs up to a stunning viewpoint. Later on today, journey on to the black sand seaside town of **Vik**. With the sea on one side and high cliffs on the other, this dramatically positioned quaint little village is Iceland's most southerly mainland settlement. The black sand beach of **Reynisfjara** is one of the country's most scenic regions. From the stepping-stone rock formations of Reynisdrangar, the promontory of **Dyrhólaey**. After all we'll be back to the hotel for night.

6 km

4 h

## 5 DAY: GLACIERS AND ICEBERGS

Breakfast. Today departure at 8 a.m. The long route brings us to along Iceland's south shore to take in more of the country's renowned natural wonders. We're going to explore **Vatnajökull National Park** encompassing Europe's largest glacier. In all, the park covers roughly 12 % of Iceland's landmass! It includes the **Skaftafell** and **Jökulsárgljúfur** national parks within its borders. The Vatnajökull glacier itself has an area of over 8000 km<sup>2</sup>. The glacier reaches 2000 metres at its highest point and covers many active volcanoes.

Iceland

Iceland

On the way we'll stop on the lake of this region to enjoy blue icebergs floating in to the lake formed by glaciers. Experience feeling to be in Grenland or Antarktida. Exciting boat trip on the lagoon by amphibian boat sailing among the huge icebergs in the picturesque scenery (optional for additional cost). Journey back to your accommodation along the South coast for the evening.

Iceland

## RECOMMENDED

(could be added for additional price if all group agree):

- Exciting boat trip on the lagoon by amphibian boat sailing among the huge icebergs
- Puffin or whale watching tours or fishing tour
- Blue Lagoon SPA

Iceland

1,5 km

### 6 DAY: REYKJAVIK

Today we'll explore **Reykjavik**, the world's northernmost capital which lies just below the Arctic Circle. More than half habitant of all country living in this city. Upon arrival we'll take a short walk of Reykjavik to get an enhanced appreciation of the city around its landmark attractions and points of interest. The old harbour, the city center and the famous Hallgrímskirkja church, Parliament building, Harpa concert hall. If you feel like something more active, you can take an optional puffin or whale watching tours, or fishing tour as well. Free time in city. We propose you to visit the National Museum, which depicts the history of Iceland from the 9th century, when the first Vikings from mainland Scandinavia arrived and settled, to the present day or to Night in the hotel or to spend time in Blue Lagoon.
